

Rainbow of US Flag iconic symbols:

- Symbol of civic engagement
- Lines and form of the flag's symbols show movement, which allude to our recurrent efforts of social change through VNA's internship programs and sponsored events.
- Since red, white & blue are colors of the United States, their use in VNA's logo further stresses the importance of civic engagement to VNA..

Stars:

- Ten stars were chosen to represent VNA's past 10 years of work in the community.
- Each successive bigger star reflects VNA's growth and progress.
- Each star symbolizes our belief in the potential and leadership of youth.
- Each star is also a symbol of truth, spirit and hope.
- Portrayed against a blue background, the stars also serve as a light shining in darkness.
- Each are symbols of truth and spirit; they represent the hope we feel when we see a star in the blue night sky.

Vision New America's tagline and mission

Gold Star:

- The biggest and brightest star embodies our present and our future.
- It is our hope and our constant striving for positive social change.
- It is the standard of excellence through which we operate.
- It is each of our VNA interns who are leaders and social change agents.
